Complete the following form if the student and/or spouse/parent has experienced a reduction in income during the 2016 calendar year. Only **2016** information will be used to update the **2015** information that was entered on the Free Application for Federal Student Aid (FAFSA). The request will be evaluated based on the documentation submitted. If your request is approved, the information on the FAFSA will be updated, the Expected Family Contribution (EFC) will be recalculated, and the award will be adjusted if additional eligibility is determined. Income reductions are considered on a case-by-case basis.

Step 1: Select Circumstance(s)

____ Parent/Spouse's income is substantially less than income reported on FAFSA due to change in employment status. Submit a personal statement and a signed copy of the 2016 federal tax return.

____ Parents/Spouse have separated, divorced or widowed since completing the FAFSA. Include a personal statement, signed copy of the 2016 federal tax return, W-2, as well as either; divorce decree, documentation of legal separation, or death certificate.

____ Parent/Spouse had a loss of income or one-time taxable benefit (IRA or pension distribution, child support, Social Security benefits, inheritance, etc.) that will not be received in 2016. Supporting documentation should include a personal statement that identifies the source and amount of benefit lost, as well as a signed copy of the 2016 federal tax return.

Step 2: Certification (parent signature required if student is a dependent)

To the best of my knowledge, the information in this request is true. I understand that misrepresentation of facts in connection with this request may result in cancellation and repayment of Federal Financial Aid.

Approval of request does not guarantee additional aid.
