TAX FILER INFORMATION

The 2018-2019 FAFSA requires 2016 tax information. You must submit a signed copy of page 1 and 2 of your and/or your spouse's 2016 federal tax return and W-2's from EACH employer. If you do not have a copy of your 2016 federal tax return, you can obtain a Tax Return Transcript from the IRS. You can find instructions for obtaining the 2016 Tax Return Transcript at <https://financialaid.ua.edu/verification/>.

IRS Tax Return Transcript and IRS Record of Account Request Process

Tax filers can request an IRS Tax Return Transcript or IRS Record of Account of their 2016 IRS tax return information free of charge.

When requesting a tax transcript, tax filers will need to provide their Social Security Number (SSN), date of birth, street address, and zip code that is listed on the latest tax return filed with the IRS. However, if an address change was made with the IRS or the US Postal Service, the IRS may have the updated address on file. If this is the case, use the updated address. When requesting a transcript using the online or telephone request for a joint tax return, use the primary tax filer's information (e.g., SSN).

Online Request

- Available on the IRS Web site at www.irs.gov.
- Click on "File" on the homepage (top left under IRS logo).
- Under "Other Resources" click on "tax record".
- Click "Get Transcript Online".
- Follow the prompts to request a transcript.

Telephone Request

- Available from the IRS by calling 1-800-908-9946.
- Tax filers must follow prompts to enter their Social Security Number and the numbers in their street address. Generally this will be numbers of the street address that was listed on the latest tax return filed.
- Select the option to request an IRS Tax Return Transcript and then enter the year you are requesting.
- If successfully validated, tax filers can expect to receive a paper IRS Tax Return Transcript at the address included in their telephone request within 5 to 10 business days from the time the IRS receives the request.
