Dependent Care Expenses 2019-2020

Last Name

First Name

MI

Phone Number

Campus Wide Identification Number (CWID)

Student budgets can be increased for dependent care expenses paid in the 2019-2020 academic year. If a student's budget is adjusted due to dependent care expenses, there is the possibility of an increase in award amount ONLY if a student has available funds. Dependent care expenses do not affect the EFC (Expected Family Contribution) or Pell Grant eligibility. Dependent care expenses may include after school care but do NOT include private school tuition.

List family member(s) and the amount of expenses below:

Name	Age	Relationship	Expenses
			\$
			\$
			\$

Required documents:

- Billing statement and letter from the school and/or caregiver detailing your expenses.
- Flex plans (if applicable).
